

## A Practice Built for Doctors, Not Salespeople.

At **Cousineau Chiropractic Center**, we've traded high-pressure scripts and long-term contracts for high-volume, high-quality clinical results. As Gaylord's prime choice chiropractic practice, our reputation is built on **Authenticity**.

### The Clinical Advantage

We empower our doctors with the best diagnostic and therapeutic tools in the industry:

- **Precision Imaging:** Immediate clinical clarity with **2020Imaging Digital X-Ray**.
- **Advanced Healing:** Go beyond the adjustment with **Therapeutic Ultrasound** for soft tissue repair.
- **Technical Versatility:** A diverse environment utilizing **Thompson Drop, SOT, Flexion-distraction Therapy, Toggle Recoil, and Activator**.

### Why Doctors Thrive Here

- **Pure Chiropractic:** We handle insurance (VA, Work Comp, Personal Injury, Motor Vehicle Accident), billing, and marketing. You focus 100% on the patient and the adjustment.
- **Total Stability:** Join a deep-rooted Northern Michigan practice with a massive, loyal patient base and a 100% walk-in model.
- **Expert Mentorship:** Refine your hands-on skills alongside an established team dedicated to your professional growth.

journey in Northern Michigan!*

## OUR PHILOSOPHY

### Real Care, No Red Tape

Since opening our doors, Cousineau Chiropractic has remained committed to authentic, patient-first care. As a 100% walk-in clinic, we prioritize accessible, high-quality treatment over high-pressure sales. We focus on patient health, providing effective adjustments without the stress of unnecessary care plans.

### Why Join Us?

- **Focus on the Patient:** We handle the insurance, the billing, and the marketing. You focus on the adjustment.
- **Mentorship:** Work directly with an established team to refine your hands-on skills.
- **Stability:** Join a practice with a deep-rooted reputation in Northern Michigan. Working with most insurances including Veterans' Affairs, Motor Vehicle, Personal Injury, and Workers' Compensation claims.

## Advanced Diagnostic & Therapeutic Tech

We provide the tools you need to deliver results-driven care. Our facility is equipped with comprehensive clinical management:

### On-Site Digital X-Ray

No more guessing. We utilize immediate diagnostic imaging with **2020Imaging** to ensure patient safety and clinical precision from the first visit.

### Therapeutic Ultrasound

Go beyond the spine. We offer therapeutic ultrasound to address soft tissue injuries, reduce inflammation, and accelerate the healing process for our patients.

### Diverse Techniques

We value clinical versatility. Our doctor utilizes:

- Thompson Drop
- SOT (Sacro-Occipital Technique)
- Flexion-distraction Therapy
- Diversified & Toggle Recoil
- Activator

## Are You Our Next Doctor?

### Clinical Internship & Preceptorship

We are looking for an "up-and-coming" D.C. to join us for their internship. At Cousineau Chiropractic, we don't just offer a place to get your hours; we offer a place to build your future. We are a 100% walk-in clinic focused on authentic care, providing you with the volume and variety needed to become a confident, licensed practitioner.

### Internship Highlights:

- Gain the 200+ supervised adjustments often required for clinical competence.
- Learn efficient office systems in a high-quality, low-pressure environment.
- Potential for long-term associate opportunities upon successful licensure.

### Candidate Requirements:

- **D.C. Candidate:** Must be in good standing with an accredited chiropractic college.
- **Manual Adjustor:** A passion for hands-on, manual chiropractic care.
- **Integrity:** A commitment to authenticity and patient-centered results.

**Apply Today!** Send your CV and a brief cover letter to:
